

Here is, in effect, a catalogue of the paintings remaining in Gordon's house after he died, mainly those which he had hanging on the walls.

Frank Bird would like as many as possible to go to family and friends. They are presently kept by Paul and Ursula Jeffree, who may be contacted on 01590 622030.

The legend below each shows:

Date, Title, Approx size in cm,
(and below that a reference number if the title might be confused with another picture).

Please note that the thumbnails shown here are not to scale. Some of the pictures are well over a metre square! They are all framed, oil on canvas except where shown.
